

# WALLED LAKE NORTHERN HIGH SCHOOL BOYS VARSITY ICE HOCKEY 2017/2018 Season

To our valued sponsors  
WLNHBC is a non-profit 501(c)(3) tax-exempt organization  
EIN # 47-2928854

Dear Potential Sponsor,

Thank you for your sponsorship consideration. It is only through generosity of sponsors like you that allows the Walled Lake Northern Knights Varsity hockey program to provide WLN student athletes with an opportunity to continue playing high school hockey at the highest competitive level.

Unlike other school sports (football, basketball, cheerleading, baseball, etc.) which are pay to play and supported by the school district; ice hockey is a self-supporting sport excluded from the pay to play fee program. We must raise all of the necessary funds to run the entire program. Some of the annual expenses include ice fees, uniforms, tournament fees, transportation to and from tournaments, lodging, senior night program, banquet, trophies, awards and other misc. items.

We are looking for businesses and/or individuals to sponsor our team. In return your sponsorship is tax deductible and all sponsors will receive recognition on the team's homepage and sponsorship page of our website. Our Playmaker sponsors will also enjoy the inclusion into our home game programs. The Hat Trick sponsors will further enjoy seeing their business showcased on signage around the arena for all home games plus 2 season passes for all Knights home hockey games.

## **Sponsorship Levels**

Hat Trick     \$500 and up  
Play Maker   \$200 - \$499  
Power Play   \$199 and down

We all appreciate the support of our sponsors and thank you in advance for your consideration.

---

Sponsor retains this letter for their records.  
Player completes the lower portion and return to WLN Varsity Hockey.
