

2014 – 2015 Website Registration

The team's website and email will be the primary tool used for communications. Please book mark the website address: <http://www.wlnhockey.org>.

All players are asked to visit the website and complete the electronic “**player contact form**” located on the website. If you played Varsity fall and you already completed the electronic form then you do not need to complete another UNLESS there are changes and/or updates. If you have not completed the online form then please visit the “**player information**” link located on the left side menu of the teams website. **Please complete NO LATER than Sunday November 9th.**

The team's calendar uses Google calendar on the backend and allows you to synch your Apple or Android smartphone, Outlook, or other email programs with the team calendar. For information and instructions please visit <https://support.google.com/calendar/?hl=en#topic=3417927>. If you need help or have questions please email webmaster@wlnhockey.org or see me at a game.

Game day volunteer signup are being online this season using a website called “Signup Genius”. This will make it easier and more manageable for everyone. The site is accessible from the team website by clicking on the “**Player Information**” link from the left side menu and when the new page opens click on **volunteer sign-up**. You will be prompted to create an ID or sign in (if you play other WLN sports you may already have an ID). Once logged in select from any of the available positions.

Pictures – we always want to showcase our players from the season. If you – or someone you know – take any pictures from the games and/or tournaments please share them by emailing to webmaster@wlnhockey.org and we'll get them posted. If you have a large number of pictures please save them to a CD and provide a physical copy to the team manager at an upcoming event. Please include the date of the event and the event name.

Any questions or concerns with the website please email me at webmaster@wlnhockey.or or call me on my cell at 248-563-8566. Please understand that my everyday job does take me out of town and can lead to delays in responding to inquiries but rest assured I will get back to you just as soon as I can.

Thanks

Mike Calcaterra
